Choose from one of our individually designed private rooms, each with unlimited bowling, delicious food and cocktails. There's even karaoke if you're feeling brave!

The menu draws inspiration from some of the best New York deli's and steakhouses, while our extensive range of bourbons would leave even Don Draper impressed.

A dedicated event manager is on hand to plan the whole night in advance so you can enjoy the comfort of your own private space knowing that everything is taken care of. In fact there's no need to lift a finger... well other than to bowl.

Discover a piece of American history at Bayswater in the private room decorated in the style of a hunters lodge. With original trophies, two bowling lanes and a large lounge area the room is a flexible and unique space for entertaining.

We can have drinks waiting at your private bar, so that guests can go straight into their game. While a 42" plasma screen can be set-up for karaoke* so that everyone enjoys the evening to the fullest.

HOW WE ROLL

"So long trashy chain bowling centres..."

- VOGUE

Why not quench your thirst with drinks waiting at your private bar on arrival? Your dedicated event manager will listen to your requirements and plan the whole night in advance.

We'll arrange for some teams to bowl while the other guests enjoy the food, drinks and heckling. We'll record all the scores and tailor a tournament based on how many teams you have. We can even organise prizes at the end for your winners and losers too.

All you have to do is decide on the teams before the party, and we'll take care of the rest.
